

POLY-FIBER PEOPLE

1931: That's him painting the model he built. 1942: Aviation Metalsmith, USS "Shangri-La" during the Doolittle raid. 1950: An aeronautics degree, Penn State on the GI Bill. 1985: Retired from Boeing after 30 years. 2006: He finished restoring then finally flew his beloved Jenny.

A few weeks later he got a different set of wings.

He's our kind of guy.
